Memorandum of Understanding for Climate and Environmental Research Cooperation between

S.P Jain College, Sasaram Veer Kunwar Singh University, Ara and N-Savera Eco Foundation, Patna. Bihar

N-Savera Eco Foundation recognize their strengths in research and provide awareness related with different currently challenging issues of Environment and Climate Change. The continuous degradation of Environment and Climate by the activities of human beings is the driving force to set up the need to provide awareness regarding benefits of Environmental Conservation.

N-Savera Eco Foundation, Patna and S.P Jain College, Sasaram Veer Kunwar Singh University, Ara therefore agree to establish a programme for research and awareness cooperation in areas of Environment and Climate Change.

A. Objectives: - The goal is to provide resolution of problems facing due to Climate Change in our environment for the years and now expecting to do some fruitful through your kind support. The different activities for addressing and resolving the issues related with Environment & Climate Change are as under: -

- to provide information on current issues/problems.
- to provide information on teaching, learning material.
- to provide seed ball activities and nursery plants unit awareness for the benefits of Environmental Conservation.
- to organize seminars, conferences, or workshops.
- to propose & engage in research or training programs sponsored by funding agency & to invite students of different colleges to participate therein.
- to check/ audit & inspect about the sufficient greenery, plantation in the campus & its surroundings.
- to motivate & unite the youths to organise & participate in the campaigns for various environmental conservation related activities.

Nature Based Solution

B. Cooperation and Support: - The N-Savera Eco Foundation will perform various activities which are above mentioned in Sub Heads 'A' with support and cooperation of your Management. The Foundation will do various awareness and research programmes by utilizing the necessary resources of your college.

C. Participation of Students: - It's important task to motivate younger generation and channelize their energy to contribute important role in activities of Environmental Conservation which is the global need now-a-day. In this regard the N-Savera Eco Foundation seek interested students to take participation in such voluntary activities mentioned in sub heads 'A' and provides them Certificates and recognition in different fields related to Environment and Climate Change. The Certificates will be very useful for their future prospect and career thereby developing them as the valuable assets for the society. The Certificate will be prepared by the Foundation on your behalf.

D. Scope Covered in this Area of Interest: - The Foundation has numerous field areas to work on under the Environment and Climate Change subject which are as follows: -

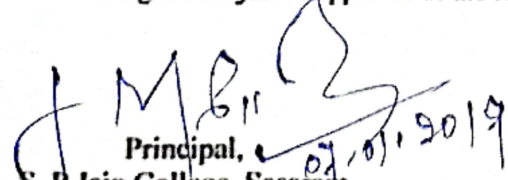

a) Biodiversity b) Eco-Tourism c) Plant hazards d) Climate Change e) Environmental Conservation f) Research Data Collection for pollution sources.

E. Fund Management: - The Foundation will do various activities mentioned in Sub Heads 'A' as per request of other Departments/ Organisations. For this our Foundation will regularly explore such willing Departments/ Organisations. The requesting Departments/ Organisations will make arrangement of Funds for such activities but the resources will be utilized from your college.

F. Tenure and Termination: - This MoU will take effect from the date it is signed by representatives of the two institutions, It will remain valid for five years, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither N-Savera Eco Foundation nor S.P Jain College, Sasaram Veer Kunwar Singh University, Ara will be responsible for any losses, financial or otherwise, which the other institutions may suffer, however. N-Savera Eco Foundation and S.P Jain College, Sasaram Veer Kunwar Singh University, Ara will ensure that all activities in progress are allowed to complete successfully.

G. Arbitration Clause: - Should there be a dispute relating to any aspect of research cooperation, Director, N-Savera Eco Foundation and S.P Jain College, Sasaram, Ara will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

This MoU is signed subject to approval of the respective academic/administrative bodies.
